

Intertek

ETL Verified to ANSI/TIA-568-C.2
Category 6A Connecting Hardware

Wire Cap

Material

- Housing: ABS UL94V-0 flame retardancy
- Spring Wire: Phosphor bronze 0.35t, plated with 50u" gold at contact area over 60u" nickel undercoat
- PCB: FR4
- IDC Terminals: Phosphor bronze 0.5t, plated with 100u" nickel
- IDC Block: High-impact Polycarbonate UL94V-2 flame retardancy

Solid Wire Range

- Conductor Diameters: 24AWG - 22AWG
- Insulation Diameters: 0.8mm - 1.1mm
- Cable Diameters: 5mm - 9mm

RoHS
